From the Principal's Desk

Dear Students,

It is a matter of great pride and satisfaction in presenting before you another edition of News Letter of Govt. Degree College Ramnagar. In spite of Covid-19 Pandemic the college has made tremendous progress in almost all areas of academic, non-academic & capacity building of staff & students. In order to accomplish our Vision & Mission, we are prepared to take as much effort as possible for the betterment of academics in the institution. We believe that education is an

effective medium of social transformation. We get encouragement while looking at bright & successful careers of hundreds of students which subsequently benefits the society particular & country in general. We believe in the progressive futuristic outlook & continual growth in the quality of all academic activities with a sense of commitment to meet the expectations of students & society. All programs including debates, seminars, celebrations, NSS & NCC activities on and off the Campus, Picnics etc. are the main content of this brief publication. The college has the privilege of having a healthy, harmonious ambience and rich values which have played a pivotal role in shaping the future of innumerable students. Our mission is to transform students into rational thinkers, competent workers, law-abiding citizens and spiritually enlightened individuals. With a proud legacy of 17 years, the college has excelled in almost every field. Many students have registered their presence in the merit list of different Universities and others have brought laurels in cultural activities in university level. Students educated from the college have carved a niche for themselves in various fields at national and international levels. Dear students, in this era of competition, it is of paramount importance to be equipped with appropriate knowledge, habits, attitudes and values leading to holistic development. Co-curricular and extra-curricular activities organised by various clubs and societies facilitate the process of creative and critical thinking. They not only inculcate social and moral values, compassion for nature, pride for Indian culture and tradition and awareness for one's rights and duties but also make students good human beings and confident leaders. I intend to believe that you would develop a versatile personality during your stay in this temple of learning. To be successful in life, have ambitions and define your goals clearly. Discipline and hard work are the key to success. Be regular in your classes and focus on your goals. Your concerted efforts with the able guidance of your faculty would definitely provide you a blissful and successful life.

I wish a warm welcome to the new students to the college with the hope that their time in the institution will be memorable, fruitful & knowledgeable.

With blessing and warm wishes.

Dr. Udhey Bhanu

Principal
